## How To Sign PDF

Below we show how to add your signature to a PDF document

1. **Select your PDF document**

   Click on 'Upload' to choose a file.

2. **Create a signature**

   Click 'Sign' and then 'Add Signature' to create a new signature.

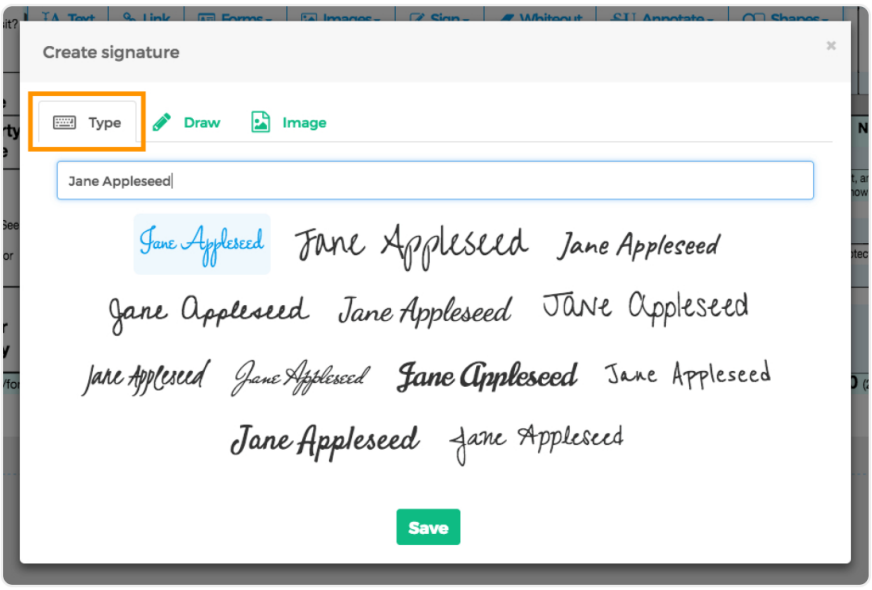

There are 3 methods to create a signature:

1. Type your name
2. Draw your signature using your mouse or trackpad
3. Upload an image with your signature

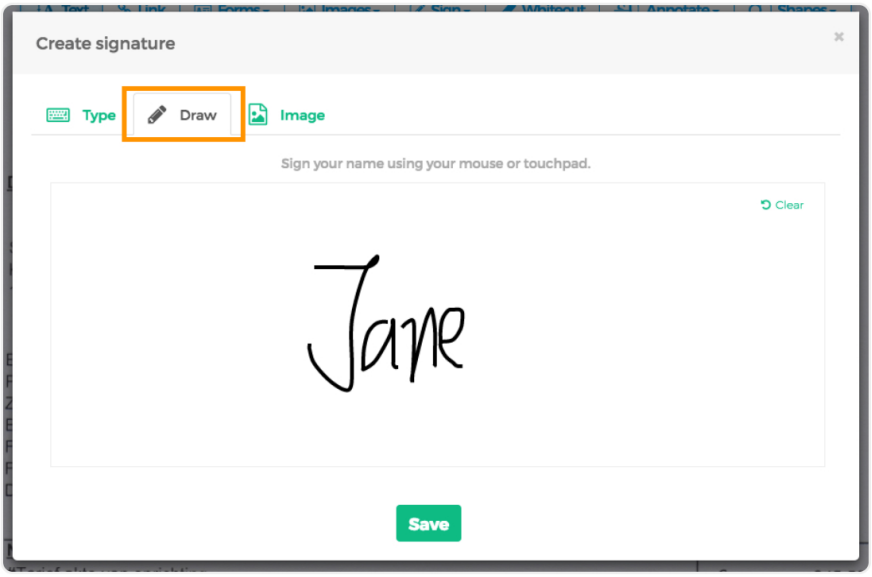

### Type your signature

Type your name and select the style you like best. You can choose from over 10 handwriting styles.

### Draw your signature

Using your mouse, trackpad or pointer device draw your signature on the screen.

3. ### Add signature to a PDF page

Expand the Sign menu dropdown and select your signature. Scroll the page and click where you want to place it.

You can resize the signature by dragging on it's corners.
